REMARKS

In response to the requirement under 35 U.S.C. 121 and 372 to elect a single invention for prosecution in this application, the applicant elects Group 2 consisting of claims 16-29.

Applicant traverses this restriction requirement because all the groups of claims in the application can be examined based on a single search without unreasonable burden on the examiner. There is no good substantive reason for the examiner insisting on this restriction.

Please charge any fee deficiencies and credit any overpayments to Deposit Account No. 14-1270.

Respectfully submitted,
